Dear Brother/Sister Firefighter;

The Ardsley Engine Company No. 1 is celebrating its 115th year of service to the community in 2011. As part of our celebration we will be hosting the 2011 Westchester County Volunteer Firemen's Association Convention and Parade. **These events will be held on September 15, 16 and 17 2011.**

Along with the parade and convention preparation we are preparing a journal to commemorate this milestone in our history and help cover the cost of running these events. An advertisement in the journal will help you to share in this special occasion. Your ad will be seen throughout firehouses in Westchester County. We hope that you will support us by taking an ad we have enclosed an order form from that should be returned as soon as possible but no later than June 1, 2011.

The members of Ardsley Fire Department, Ardsley Engine Company No. 1 thank you for your support and look forward to seeing you at our 115th Celebration
